Please read carefully. Thank you.

We stock over 300 varieties of African Violets on our benches. We cannot begin to list all of them at one time. If there is a variety that you are looking for, drop us a line and we may have it in stock. Due to the fact that our stock does vary, we may have to substitute a similar variety to complete your order. If you do not wish us to do so please state this when ordering.

A check or Money Order must accompany all orders. No C.O.D. please.

On all orders 5.00 or over there is no packing and postage charge. Orders under 5.00 please add .50 for same. We regret that we cannot accept orders for Fertilizer, stakes, Agrilite without the postage and packing fee.

You need not send postage and packing fee when ordering Soil.

All plants will be shipped in 2" pots and will be carefully packed for your protection. Our varieties are as true to name as it is humanly possible to get them, and are authentic. All plants are clean and healthy, also Sodium Selenate treated. Plants will be shipped, either in bud or bloom.

We are inspected annually and are Federally Certified by the U.S. Dept. of Agriculture to ship Nationwide.

All orders will be acknowledged as soon as we receive them. We will ship just as soon as the weather permits. We do not hold your money longer than is absolutely necessary. We ship the year around. Damaged shipments must be reported to us immediately for adjustment.

Railway Express shipments that are damaged, should be reported to the Agent and a damaged shipment claim filed.

We regret that time does not permit answering questions pertaining to the care of African Violets. We do enclose a culture sheet in each order, which is very helpful to the enthusiast.

Club, or Group discounts-

To get the benefit of this discount you must order not less than 25 plants at one time and not less than three of a variety. Your check or Money Order must accompany your order. The order will be shipped via Railway Express and the charges will be collect. This discount applies to Plants only.

For those who are able to drive in, we wish to say we are always open and offer courteous service at all times.
